SPEAKING TOPICS

SYNERGY LEADERSHIP

Harness & Balance Energy to Achieve More

Learn to leverage energy to work for you to meet your personal and professional goals. This session will cover the energy model and methods on maintaining focus, positivity, and balance in order to harness energy and reach your greatest potential.

ORGANIZATIONAL CHANGE

Crisis to Confidence

Organizational change is often a difficult challenge for businesses to face. In this session, you will learn how to develop your employee's confidence and capacity to effectively manage change and / or crisis. You will be introduced to Karen's customizable plan to excel yourself and your team to success.

WHOLISTIC WEALTH

From Surviving to Thriving in the Current Economy

Arm yourself with the knowledge to protect personal and business finances during any economic climate. This session examines the steps to financial empowerment to create a solid foundation from Karen's book, Nobody Told Me! The Path to Financial Empowerment.

LEVERAGING THE DIFFERENCE WITHIN

The Benefits of Diversity, Inclusion, and Gender Equality

Create and sustain an environment that engages all team members across your organization. In this session, KRJC will assist you in re-evaluating and improving communication styles. Learn to leverage diversity as a positive asset and benefit that supports productivity, employee engagement and revenue goals.
